Range Commands

At start of sighters and each practice:

Are you ready?

If anyone calls ***Not ready!*** then respond

Not ready called. (Resolve problem, call ***Are you ready?*** again)

Stand by. (Targets turn away or other start signal is given)

At end of practice:

STOP!

Unload and show clear.

Scoring

NRA scoring is used, i.e. a shot hole need only touch a scoring ring to achieve the higher value.

A fresh full target or centre is used for each practice.

Targets may be scored on the frames, but to save time it is recommended that they be removed and scored behind the firing point while the next practice is being fired.
